MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT : Representation at TAGA Convention in Milwaukee, Wisconsin, May 10-12, 1954.

25X1A9a

1. Mr. [REDACTED], Chief, GPO-Department of State Service Office, is engaged in a long range reproduction project for the Agency involving reproduction of maps, many of them on cloth. The TAGA Convention agenda includes a discussion of a new continuous tone printing process which we believe applicable to this work.

2. It would be to the Agency's interest to have a knowledgeable representative attend this annual meeting of TAGA to become better informed on this new method.

3. Since I am unable to attend the Convention it is recommended that [REDACTED] who is doing this work for us, attend. Attached is his application to the Public Printer for attendance at this meeting. The application was disapproved by the Public Printer. However, it is believed that if our interest were made known to the Public Printer he might well reconsider. Recommend that action be taken to secure his approval.
